

Join the Wisconsin Unit for a weekend Down on the FARM

Celebrate America's Dairyland this May at the Wisconsin Unit Rally at the beautiful Jefferson County Fairgrounds in Jefferson, WI. The schedule includes a visit to a modern dairy farm, good food, Airstream Round Tables (information sharing on your favorite Airstream topics), an Open House and lots of time to connect with all your Airstream friends! This is a Buddy Rally so you can bring a friend who owns a non-Airstream or is not a member of WBCCI. Just have them fill out the registration form and return with their rally fees.
