*Step into a world of authentic German ambiance that was created by the settlers of the Amana Colonies and preserved by their ancestors. Experience the unique culture that has its roots in Germany and flourished in the USA during a communal era for over 90 years.*

*Visitors have been coming to the seven scenic villages for over a century. Come for the food, wine, and beer – for the quality handcrafted products, art, and quaint shops – for the history and antiques.*

There is a lot to see and do so we've built in flexibility. You may choose to join the group activities or head off on your own.

The rally includes the highly recommended approximate 2-hour Village Voyage Van tour. Only 2 tours are offered each day Monday - Saturday so we need to make reservations early for the 14-seat van. You'll learn the history of the Amana Colonies, visit the Amana Heritage Society, Communal Kitchen, High Amana General Store, and the Old Homestead Church. The tour is not handicap accessible so you must be able to get into and out of the van and navigate some steps.

#### Thursday, May 14, 2020

- Settle in then begin exploring the area. We'll give you a list of places to shop, microbreweries or wineries to check out, places to hike, or golf
- 4:30 Happy Hour at the campground
- Dinner on your own

- Lunch on your own
- Those with Friday reservations will take the 2 p.m. Village Voyage Van tour. If not, you have free time until Happy Hour at 4:30
- Dinner is on your own or join us at Millstream Brau Haus

#### Saturday, May 16, 2020

- Reservations closed February 28 because the International Parking Committee needed our commitment by March 1.
- The Parking Committee has not approved the date for the caravan to arrive in Loveland. As of February 22 the "best guess" is June 17 or June 18.

- The caravan fee is \$44 per person
- The caravan will depart from Delaware County Fairgrounds in Manchester, IA on June 12, 2020
- Each caravan member will make their own campground reservations, but only three of the seven campgrounds will accept reservations. Those that don't take reservations will have sites.
- We will stay one night in each campground

- The total highway driving distance of the caravan is about 1,100 miles from the Wisconsin/Iowa state line
- The route will generally follow US-20 across Iowa, visiting various points of interest along the way, cross into Nebraska at Sioux City and stay on US-20 until we turn south to drive through the Nebraska Sand Hills. The final campground on Wednesday, June 17, 2020 is about 60 miles from the 63<sup>rd</sup> International Rally venue in Loveland.
- The longest driving day is 264 miles.
- A thorough Driver's Manual will be provided.

Ariens Art on Wheels Vintage Weekend

*The Ariens Art On Wheels featuring VSCDA weekend typically draws more than 300 vintage and historic racecars with 11 groups to run over the three-day event. The fan-friendly paddock is open to spectators for close-up views of amazing racing machines prepared to era specifications all weekend. On Saturday fans can watch and participate in the historic road course reenactment tour of race cars and streetcars. The tour will leave Road America and follow a route almost identical to the street course driven in the early 1950s. The reenactment ends on Lake Street where fans can view all the cars.*

- We will dry camp in the track in the “Hurry Downs” camping area between turns 7 and 8. I think these are sites 1501 to 1632 on the Road America Camping Map:  
<https://road-america.maps.arcgis.com/apps/webappviewer/index.html?id=3f397f75cecd45c0aeae49940f3ec1f9>

- We may meet outside the track to caravan in to be assigned contiguous sites.
- No food will be provided as part of the campout but we may go out for a group meal on Friday or Saturday.

- Happy Hours as usual, of course
- Please purchase your weekend tickets and camping wrist bands directly from Road America at the Web site shown below. The current price for two people is \$190 plus \$40 for a camp site for the weekend. Advanced Pricing Ends September 09, 2020
